

Disclaimer (v 4.2 2019) – Mouldsworth Quarry

Terminology

Throughout discussion and contractual terms and conditions, "We" and "Us" refers to 3rd Dimension Events Limited, Hill n Ditch 4x4 and James Bennett Quarries Ltd.

"You", "I" and "Client" means the person who has signed the form and each and every member of the group on whose behalf the group Contact has signed. If the booking form is signed on behalf of a 'limited company' and that is clear on the booking form, "You" or "Client" refers to the company. If we accept a booking by telephone or by Internet, "You" or "Client" also refers to the person making the booking.

Disclaimer

Off-Road Driving can be a dangerous activity and your standard vehicle insurance will be invalid. The quarry is a natural environment and the obstacles within the quarry can be driven with appropriate training and vehicle. As a safety aid the routes will be clearly marked and designated by difficulty. Barriers will prevent access to unsuitable areas. You will receive a safety briefing, a vehicle inspection and be offered professional instruction. As a duty of care we will provide basic driving instruction in the use of gears and brakes for the terrain to be tackled. Recovery when stuck is free, including safe practice advice. Under no circumstance should you attempt anything that you do not feel qualified or capable of doing in a safe and controlled way.

Please make sure you read and understand the site rules before signing this disclaimer.

Site Rules

1. Site speed limit is 4mph
2. Please only drive sections commensurate to your ability and that of your vehicle
3. Only drivers with full UK licence are allowed to drive on this land (no kids driving)
4. Well maintained trailered vehicles are permitted, subject to being of good condition.
Admittance IS always at the discretion of our site managers
5. In event of breakdown or getting stuck please sound horn and a marshal will come to you.
6. If you need to get out of the vehicle to 'reccie' an obstacle, please be aware of other vehicles coming from behind hills and trees
