Disclaimer (v 4.6 2026) – Mouldsworth Quarry

Terminology

"We" and "Us" refers to 3rd Dimension Events Ltd, Hill n Ditch 4x4 and James Bennett Quarries Ltd. "You", "I" and "Client" means the person who has signed the form and every member of the group on whose behalf the group Contact has signed. If the booking form is signed on behalf of a 'limited company' and that is clear on the booking form, "You" or "Client" refers to the company. If we accept a booking by telephone or by Internet, "You" or "Client" also refers to the person making the booking.

DISCLAIMER

Off-Road Driving can be a dangerous activity, and your standard vehicle insurance will be invalid. The quarry is a natural environment and the obstacles within can be driven with appropriate vehicle and training. As a safety aid, sometimes the routes will be clearly marked and designated by difficulty. Barrier tape will prevent access to unsuitable areas. You will receive a safety briefing, a vehicle inspection and as a duty of care you will be offered basic driving instruction in the use of gears and brakes for the terrain to be tackled. Further professional instruction can be given for a fee. Recovery when stuck is free (tow ropes must be attached), including safe practice advice. Under no circumstance should you attempt anything that you do not feel capable of doing in a safe and controlled way.
Please make sure you read and understand the site rules below before signing this disclaimer.
